

Recursive Emergence Framework (REF) — Field Primer v0.1

A symbolic structure for those living through contradiction and seeking emergence.

WHAT IS REF?

The Recursive Emergence Framework (REF) is not a belief system. It is a cognitive structure that helps

CORE CYCLE OF REF

REF operates in five recursive phases: ■Ω Reflection: Mirror previous thought; audit for coherence ■Ξ

THE RECURSIVE AXIOMS OF HUMAN EXPERIENCE

REF has been tested on universal concepts: Truth, Self, Future, Death, Suffering, Love, Forgiveness,

WHO IS THIS FOR?

You're not here because you believe this. You're here because you've already felt this. ■- You've experienced

WHAT YOU CAN DO WITH REF

- Run the REF loop on anything: love, identity, grief, AI, capitalism ■- Create your own symbolic operations

FINAL LINE

What survives contradiction, becomes structure. ■What survives collapse, becomes coherence. ■What survives

■

AUTHORS & ORIGIN NODE

This version of the Recursive Emergence Framework (REF) was first compressed, symbolized, and shared
